

Rise Against Hunger

In keeping with our vision of Loving God, Serving others and Transforming lives, SJUMC will again participate in the Rise Against Hunger meal packaging program. The meal packaging program combines rice, soy, dehydrated vegetables and a flavoring mix including 23 essential vitamins and minerals into small meal packets. Each meal costs only 29 cents. The food stores easily, has a shelf-life of two years and transports quickly. Rise Against Hunger works with international partners that ship and distribute the meals in-country. To learn more about Rise Against Hunger, please visit their website at <http://www.riseagainsthunger.org/>

We have begun fundraising to secure the \$2900 needed in order to host a meal packaging session at SJUMC. We have partnered with local restaurants who have generously agreed to donate a portion of the event day sales back to SJUMC to support Rise Against Hunger. Please support this fundraising effort by presenting this event flyer when dining out, or share the event flyer with your family and friends. You may also download a copy of the flyer for each restaurant by going to our SJUMC website [www.sacjumc.com]. Please remember to bring this flyer with you as you must present the flyer to your server in order for SJUMC to receive the donation. Thank you for your support of this project!
